## PRODUCT DESCRIPTION

### I. ANTI-AGING IN A BOTTLE SERIES

1.	ReVital Exfoliating Cleanser	30ml
2.	ReVital Crista Abrasion	30ml
3.	Revital Pore Reducing Mask	30ml
4.	ReVital Toning Essence	30ml
5.	MediPep Hydrating Serum	20ml
6.	MediPep Whitenening Serum	20ml
7.	MediPep Amino Acti Serum	20ml
8.	ReVital C-Silk Essence	20ml
9.	ReVital Firming Activator / Mask	7ml/10gram
10.	Revital GC-100 Firming Serum	20ml
11.	ReVital All-In-One Moisturizer	20ml
12.	ReVital Moisturizer	20ml
13.	Peptaone Eye Serum	20ml
14.	Hydro Skinshade	30ml

#### <HOW TO USE>

##### 1. Insta Correcting Solution:

- ReVital Exfoliating Cleanser
- Revital Pore Reducing Mask
- ReVital Toning Essence
- Revital Moisturizer

##### 2. Intensive Correcting Solution:

- ReVital Crista Abrasion
- Revital Pore Reducing Mask
- ReVital C-Silk Essence
- Revital Moisturizer
- Hydro Skinshade

##### 3. Wrinkle Refining Solution

- ReVital Exfoliating Cleanser
- ReVital Firming Activator / Mask
- ReVital Toning Essence
- ReVital All-In-One Moisturizer

#### 4. Rejuvenating Solution

- MediPep Amino Acti Serum
- ReVital C-Silk Essence

#### 5. Insta Firming Solution:

- Revital Pore Reducing Mask
- ReVital Toning Essence
- ReVital All-In-One Moisturizer

#### 6. Intensive Firming Solution

- Revital Pore Reducing Mask
- ReVital Firming Activator / Mask
- Revital GC-100 Firming Serum

#### 7. Hydrating Solution

- MediPep Hydrating Serum
- ReVital C-Silk Essence
- ReVital All-In-One Moisturizer

#### 8. Whitening Solution

- ReVital Exfoliating Cleanser
- MediPep Whitenening Serum
- Hydro Skinshade

#### 9. Reviving Solution

- MediPep Hydrating Serum
- MediPep Amino Acti Serum
- ReVital All-In-One Moisturizer

#### 10. Intensive Eyecare

- ReVital C-Silk Essence
- Peptaone Eye Serum

#### 11. Male Skincare Solution

- ReVital Exfoliating Cleanser
- MediPep Amino Acti Serum
- ReVital All-In-One Moisturizer
- Hydro Skinshade

## ANTI-AGING IN A BOTTLE SERIES

# 1. ReVital Exfoliating Cleanser

*Formula Number - RVP-34*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Intensive Cleansing
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 ml

## 2 Description

This Exfoliating Cleanser is an herbal based exfoliating treatment cleanser that combines fine ground bamboo with jojoba beads. It effectively removes excess surface cells, lifts away dull, dry skin for improved texture and healthy clarity. This also contains Maxtrixyl 3000 that work synergistically to enhance collagen production. Refreshing herbal extracts of Rosemary, Calendula and Cucumber help to tone and rejuvenate for a more luminous skin glow.

## 3 Ingredients

Aloe Vera Gel, Hydrogenated Polyisobutane, Stearic Acid, Ground Bamboo, Cetyl Alcohol, Sodium Alginate, Tripeptide (glycerin, lysine, proline) Hydrogenated Jojoba Oil, Glycerin, Chamomile Extract, Cucumber Extract, Hydroxypropyl Methylcellulose, Safflower Oil, Dimethicone, Calendula Extract, Rosemary Extract, Allantoin, Talc, Sodium PCA, Chlorophyll, Natural Fragrant Oil, Iron Oxide, Polysorbate 20, Maxtrixyl 3000, Methyl Paraben, Propyl Paraben.

## 4 Direction for use

After cleansing, apply a small amount to wet face, massage gently in circular motions. Avoid eye area. Rinse thoroughly, then follow with a appropriate moisturizer or Peptide mask.

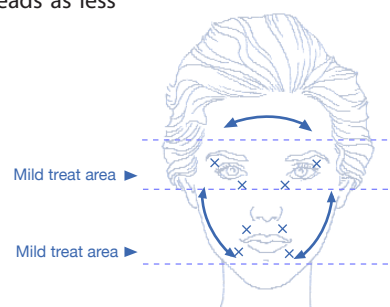

## 5 Professional in salon use

Can be used in salon as a nourishing cream based treatment.

- Use after cleansing and either prior or after steam to help root out impurities, blackheads and improve skin texture.
- Massage gently in circular motions for 2-5 minutes.
- Avoid eye area. Rinse thoroughly, then follow with an appropriate, serum, soothing mask and moisturizer.
- Helps to improve the penetration of following treatments.
- A medium to strong (depending the pressure applied and the amount of time massaged on the face).
- This product utilizes fine ground bamboo and jojoba beads as less aggressive exfoliation then microdermabrasion cream.

## 6 Cautions

Use only as directed. Not to be used on sensitive or irritated skin. Do not use on Rosacea, Pustule Acne, Open Sores or other skin ailments. Do not use during or right after chemical peeling. Avoid contact with eyes and mucous membranes. Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

## 2. ReVital Crista Abrasion

Formula Number - RVP-35

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Intensive Cleansing
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 ml

### 2 Description

This Cristal based Abrasion Cream is a resurfacing treatment that gently exfoliates the skin to help minimize fine lines and wrinkles. Natural fruit enzymes, hydrolyzed vitamins, herbal extracts and micronized marine salts enhance the nano dermabrasion process by assisting in the reduction of sun damage and scarring. Helps to minimize pore size and other skin imperfections while stimulating the production of new and healthy skin cells.

- This product utilizes the same crystals used in microdermabrasion machines but a lot smaller and finer Nano Size particles.
- Helps to smooth fine lines and wrinkles
- Lighten skin discoloration
- Stimulate cellular regeneration.

### 3 Ingredients

Aloe Vera Gel, Hydrogenated Polyisobutane, Stearic Acid, Cetyl Alcohol, Sodium Alginate, Glycerin, Refined Aluminum Oxide, Chamomile Extract, Thyme Leaves Extract, Hydroxypropyl Methylcellulose, Safflower Oil, Dimethicone, Micronized Sodium Chloride (Salt), Bromelain Enzymes, Papain Enzymes, Lecithin, Calendula Extract, Rosemary Extract, Tocopheryl Acetate (Vit E), Retinyl Palmitate (Vit A), Allantoin, Sodium PCA, Phenoxyethanol, Potassium Sorbate, Sodium Benzoate.

### 4 Direction for use

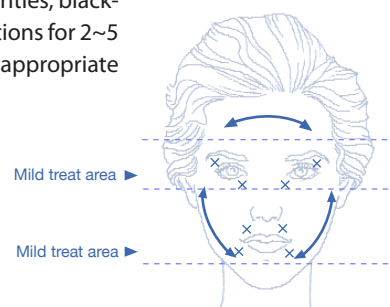

Recommended for all non problem skin types. Apply a small amount to clean, damp face. Close the eyes to prevent introduction of crystals. Massage gently in circular motions for 1~2 minutes. Avoid eye area. Rinse thoroughly, then follow with an appropriate moisturizer. Use 1 to 2 times a week as tolerated.

### 5 Professional in salon use

Can be used in salon as a milder alternative to machine micro-dermabrasion treatment. Use after cleansing and either prior or after steam to help root out impurities, blackheads and improve skin texture. Massage gently in circular motions for 2~5 minutes. Avoid eye area. Rinse thoroughly, then follow with an appropriate soothing mask followed by moisturizer. Helps to improve the penetration of following treatments. This is a medical strength dermabrasion.

### 6 Cautions

Use only as directed. Not to be used on sensitive or irritated skin. Do not use during or right after chemical peeling.

## ANTI-AGING IN A BOTTLE SERIES

## 3. ReVital Pore Reducing Mask Formula Number - RVP-32

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Intensive Cleansing and Pore Reducing
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 ml

### 2 Description

This pure organic ingredient, Pumpkin, is rich in vitamins, amino acids, and enzymes known for their anti-oxidant and exfoliating properties. This resurfacing treatment gently exfoliates the skin to improve the appearance of fine lines, age spots, freckles, and rough skin. It minimizes pore size and other skin imperfections while stimulating the production of new and healthy skin cells.

### 3 Ingredients

Aloe Vera Gel, Pumpkin Enzyme, Pumpkin Pulp Extract, Glycerin, Chamomile Extract, Glycosaminoglycans, Bromelain and Papain Enzymes and Lecithin, Guar Gum, Sodium PCA, Yeast Extract, Carrot Oil, Sea Buckthorn Oil, Phenoxyethanol, Matrixyl 3000, Sodium Alginate, Seaweed Extract, Sodium Hyaluronate, Iron Oxide, Citric Acid, Lactic Acid.

### 4 Key Points

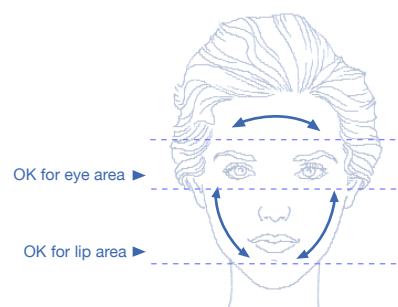

- Originally Designed for Skin-Doctors.
- Enhanced with Oxygenating Peptide.
- Decreasing pore size.
- No cytotoxicity, No product sensitivity, No side effects!

### 5 Direction for use

Apply over cleansed skin, avoiding eye area. Allow to remain on the skin for up to 8 minutes (for dry, mature, and sensitive skin), or up to 15 minutes (for oily and problem skin). Remove with warm water. Use once or twice weekly or right before Pro Complex Mask.

### 6 Cautions

Moderate stinging may occur. If skin becomes irritated, wash off immediately with warm water. Always test product on small area before use on entire face. Use only as directed. Not to be used on sensitive or irritated skin. Do not use on Rosacea, open sores or other skin ailments. Do not use during or right after chemical peeling. Avoid contact with eyes and mucous membranes. Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

## 4. ReVital Toning Essence

Formula Number - RVP-37

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Intensive Toner
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 ml

### 2 Description

This toner is a gentle, oil-free, Alpha-Hydroxy astringent toner and freshener for normal to dry and sensitive types of skin. It helps to tone and firm the skin, tighten the pores, and smooth the appearance of the skin, to give it finer, softer texture. Ginseng is a natural supplier of oxygen to the skin cells. Glycolic Acid and Ammonium Glycolate (5%) work to help the skin loosen the excess accumulation of dead skin cells, which cause the skin to appear rough, dull and aged, to a natural rate of exfoliation and a more youthful, fresher appearance.

- A gentle, oil-free, glycolic astringent toner and freshener for normal to dry and sensitive types of skin.
- Helps to tone and firm the skin
- Tighten the pores
- Smooth the appearance of the skin, to give it finer, softer texture.
- Ginseng is a natural supplier of oxygen to the skin cells. (Accumulation of dead cells causes the skin to appear rough, dull and aged.)
- Glycolic Acid and Ammonium Glycolate-(5%) work to help the skin loosen the excess accumulation of dead skin cells to a natural rate of exfoliation.
- Helps to diminish superficial sun damage
- Reduces the appearance of fine lines.

### 3 Ingredients

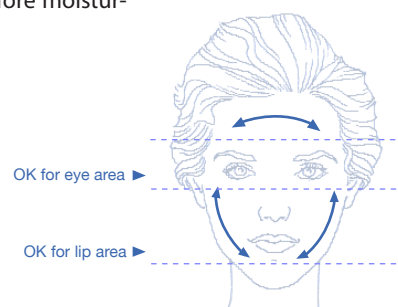

Deionized Water, Aloe Vera and Witch Hazel and Horse Chestnut Extracts, Glycolic Acid and Ammonium Glycolate, Glycerin, Glucose and Fructose and Sucrose and Urea and Dextrin and Alanine and Glutamic Acid and Hexyl Nicotinate, Ginseng Extract, Phenoxyethanol, Sodium Benzoate, Biotin, Polysorbate 20, Fragrant Oil.

### 4 Direction for use

Apply with cotton several times daily after cleansing and before moisturizing or nourishing.

### 5 Cautions

Avoid contact with eyes and mucous membranes. Keep out of reach of children. Use only as directed.

## ANTI-AGING IN A BOTTLE SERIES

## 5. Medipep Hydrating Serum

Formula Number - RVP-40

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Hydrating Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20 ml

### 2 Description

This light serum provides your face with eight hours of consistent hydration. Enriched with high-grade peptide and EGF to strengthen the skin's protective barrier, it is the perfect complement to our other Peptacell products, intensifying the anti-wrinkling effect. Your skin experiences an unsurpassed sense of vitality and freshness.

Suited to All Skin Types. Oil Free. Hypoallergenic. Dermatologically & Ophthalmologically Tested  
Not tested on animals

**Acetyl Hexapeptide-3** in this formula works through a unique mechanism which relaxes facial tension leading to a reduction in superficial facial lines and wrinkles with regular use.

**Matrixyl 3000 peptide** gives anti-wrinkling and lifting effect while containing messengers of cutaneous restructuring and repair. It activates the neosynthesis of extracellular matrix renewal and cell proliferation.

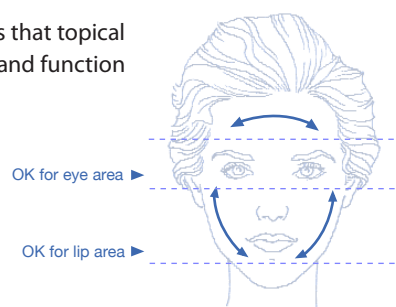

**Pentaxyl** has wound-healing properties while assisting in reducing wrinkles by enhancing the body's production of Collagen and in making improvements in collagen and protein production under the skin's surface by stimulating the skin's own regeneration process.

**Sodium Hyaluronate acid** with its weight, 1 Mda, is one of the most effective humectants for skin healing and regenerative properties of the human skin and will add hydration to skin and does not depend on atmospheric moisture.

**EGF** stimulates the growth of various epidermal and epithelial tissues in vivo and in vitro and of some fibroblasts in cell culture.

**Vitamin B5** reduces water loss through the skin. This suggests that topical vitamin B5 in various forms is beneficial to improve the form and function of the skin.

**DMAE** is a natural substance called as a facelift in a jar due to its amazing ability to dramatically tighten, firm and tone neck and facial muscles, crating a leaner, more defined and youthful look. Its ability to strengthen and stabilize the cell's plasma membrane allows it to improve even the most unre-

> Continue from "Peptacell Hydrating Serum"

sponsive of areas.

**Magnesium Ascorbyl Phosphate (MAP)** is a vitamin C derivative that has better stability than ascorbic acid. MAP is often used for: UV protection and repair, collagen production, skin lightening and brightening, and as an anti-inflammatory. It is also a potent antioxidant.

### 3 **Ingredients**

Deionized Water, Aloe Vera Gel, Acetyl Hexapeptide 3, Matrixyl 3000, EGF, Sodium Hyaluronate, Vitamin B-5, DMAE, Pentaxyl, Propylene Glycol, Phenoxyethanol, Magnesium Ascorbyl Phosphate, Grape Seed Extract

### 4 **Key Points**

- Deep hydration and firming effect of skin cells
- Soften wrinkles and lines by plumping the skin
- Provides a silky, smoother texture to skin
- Good for all skin types with no side effects

### 5 **Direction for use**

Apply it in the face and neck area. Gently massage into skin until absorbed. Follow with Peptacell Moisturizer.

### 6 **Cautions**

Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

## 6. Medipep Whitening Serum

Formula Number - RVP-41

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Facial Whitening Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20 ml

### 2 Description

Peptacell Whitening Serum is Perfect Skin Lightener to fight dark skin, spots, discolorations, freckles, sun exposure and hyperpigmentation. This ultimate Whitening Serum is designed to reduce melanin generation and even skin tone and appearance with results you can start to notice in first days of use.

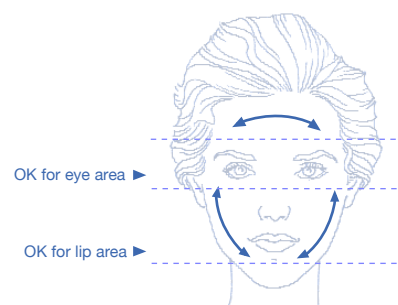

Peptacell Whitening Serum promotes lightening and an even skin tone. Alpha Arbutin as the ALPHA (a-glucosidic ) inhibits the activity of tyrosinase MUCH more effectively than other whitening solutions. The alpha form offers higher stability and efficacy, leading to a skin lightening active that acts faster and more efficiently leading to much more pronounced diminishing of liver spots (age spots), and an obvious reduction in the degree of skin tanning after UV exposure. Works by limiting both melanin production (tan) and skin reddening (erythema).

**Diolic Acid:** A Skin brightening ingredient with a new mechanism of action from the heart of the melanocyte. It helps treat skin pigmentation disorders such as freckles, melasma, hyperpigmentation and general dark color of the ethnic skin.

The enzyme tyrosinase is a good target for this interference as it seems to be the limiting factor of the rate of melanogenesis. Many skin lightening ingredients (or claimed as such) are essentially conceived as an inhibitor of this tyrosinase. This particular ingredient is a good candidate for effecting melanin synthesis decrease via another, even further upstream, mechanism. It does not mediate melanin synthesis reduction by a direct inhibition of tyrosinase but can inhibit the whole melanin synthesis pathway from the melanocyte nucleus by targeting the tyrosinase gene via the PPAR complex.

**bFGF:** Known as Human Oligopeptide-3, it modulates the skin elasticity by regulation of collagenase.

- Reduce and prevent the appearance of lines and wrinkles by helping to generate new skin cells
- Skin rejuvenator involved in normal growth, healing & wound repair
- Strengthen skin elasticity by helping to induce the synthesis of collagen and elastin
- Help blood circulation in the scalp and revitalizing hair follicles

> Continue from "Peptacell Whitening Serum"

**Alpha Arbutin:** A natural skin lightening/whitening agent. It works by slowly releasing hydroquinone through hydrolysis, which in turn blocks tyrosinase activity and reduces the skin's melanin (pigmentation) production.

**Magnesium Ascorbyl Phosphate (MAP)** is a vitamin C derivative that has better stability than ascorbic acid. MAP is often used for: UV protection and repair, collagen production, skin lightening and brightening, and as an anti-inflammatory. It is also a potent antioxidant.

**Palmaria palmata extract:** inhibits the synthesis of melanin, limits its migration at the skin surface controlling thereby photoinduced pigmentation. It gives the skin a luminous and ultra-refined complexion.

**Manganese dioxide and Titanium dioxide:** an instant and gradual skin brightener and visually show that the pores are less apparent, and lines are optically erased. Manganese & Titanium dioxide are encapsulated in polymethylmethacrylate towards enhanced penetration.

**Azelaic Acid & Mulberry Extract:** Effective Skin Lightening and Depigmenting Agents

### 3 **Ingredients**

Deionized Water, Hyaluronic Acid 1% Solution, Aloe Water, Propylene Glycol, Dioic Acid, BFGF, Alpha Arbutin, Kojic Acid, Manganese dioxide and Titanium dioxide, Azelaic Acid, Mulberry Extract, Phenoxyethanol, Palmaria palmata extract, Magnesium Ascorbyl Phosphate, Vitamin C-Ester

### 4 **Key Points**

- Recommended for all skin types
- Contains unique silicone elastomer
- SPF 30
- Safe for use after clinical procedures.

### 5 **Direction for use**

Apply it to the targeted area amount directly onto where aging spot, intercellular melasma, post-laser hyperpigmentation, laser induced erythema, inflammation, free radical generation, wound healing and non-laser related pigmentation problems seen in daily practice exists.

### 6 **Cautions**

Avoid contact with eyes and mucous membranes. For External Use Only.

## ANTI-AGING IN A BOTTLE SERIES

# 7. Amino Acti-Serum

*Formula Number - TC-87*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Anti-Aging, Healing, Protective Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20ml

## 2 Description

This stimulates the natural production of Collagen I, III and IV, Fibronectin (naturally involved in the cellular process of tissue repair and in cell adhesion) and Glycosaminoglycans. The Key Benefits include 68% reduction in deep wrinkles, 47% reduction in overall wrinkle density, 30% reduction in overall skin roughness, 80% in the eye contour area and an overall improvement in skin hydration.

**Palmitoyl Pentapeptide-3:** increases overall collagen production, the production of collagen IV and hyaluronic acid synthesis in the skin. It also helps the skin to heal wounds faster.

**Acetyl Hexapeptide-3:** relaxes facial tension, leading to the relaxation of facial muscles that contribute to lines and wrinkles, thus works more on mechanical lines and tension-related wrinkles due to stress.

**Glycosaminoglycans:** improves the wound-healing acceleration and the cellular assistance for skin and cartilage recovery.

## 3 Ingredients

Deionized Water, Cetearyl Ethylhexanoate, Glycerin, Palmitoyl Pentapeptide-3, Acetyl Hexapeptide-3, Glycosaminoglycans, Butylene Glycol, Echinacea Angustifolia Leaf Extract, Glucosamine, Glycyrrhiza Glabra (Licorice) Root Extract, Hydrogenated Lecithin, Hydrolyzed Wheat Protein, Polysorbate 20, Wheat Amino Acids, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Ahnfeltia Concinna Extract, Borago Offininalis Seed Oil, Camellia Sinensis Leaf Extract, Carbomer, Citric Acid, Tocopheryl Acetate, Pentylene Glycol, Propylene Glycol, Squalane, Triethanolamine, Diazolidinyl Urea, Adenosine.

## 4 Key Points

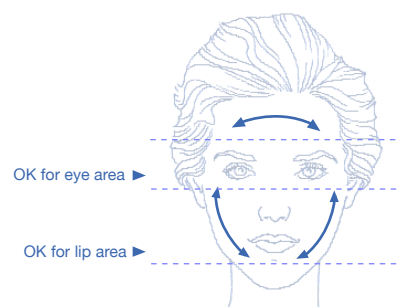

- Originally Designed for Skin-Doctors.
- Enhanced with Oxygenating Peptide.
- No cytotoxicity, No product sensitivity, No side effects!

## 5 Direction for use

Apply appropriate amount onto the face and neck and follow with a moisturizer.

## 6 Cautions

Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

## 8. ReVital C-Silk Essence

Batch Number - BZ-W-07-33

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Anti-Aging Control Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20 ml

### 2 Description

This new high-graded Vitamin C Skin essence with 14.3% of highly concentrated Vitamin C, is the very latest in anti-aging skin care. Recent scientific research has shown that vitamin C is a potent antioxidant that is capable of preventing and even reversing the effects of aging on human skin. It is for this reason that we use vitamin C as a key ingredient in our anti-aging formulations. If topically applied, a high-dose of vitamin C serum would also help prevent and treat dry skin problems and brightens the skin color as well.

We have formulated a stable and unique Vitamin C Skin Serum that does not degrade rapidly like other vitamin C preparations may.

Peptacell Vital Silk-C Serum formula absorbed quickly by the skin, has a non sticky application, and maintains potency in the bottle, so when you apply it, it sends concentrations of stable vitamin C directly into the skin.

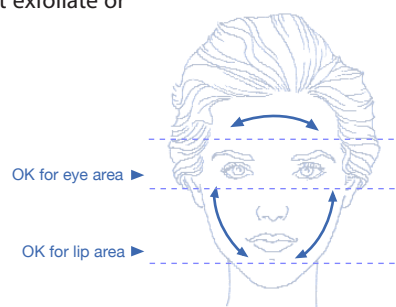

**Glutathione:** This is an antioxidant, protects cells from toxins such as free radicals and your body's master antioxidant and one of the most important cleansing and healing agents. Glutathione blocks free radical damage and helps to recycle Vitamins E and C, therefore plays a key role in their function. Because Glutathione exists within the cells, it is in a prime position to neutralize free radicals.

**Stabilized L-Ascorbic Acid:** boost collagen synthesis and is "an essential cofactor" for the synthesis of 2 enzymes (Lysylhydroxylase & polyhydroxylase) - which in turn catalyze the production of the amino acids required for producing collagen, the primary connective tissue in skin.

**Tetrahexyldecyl Ascorbate:** lipid-soluble, oil-soluble, stabilized, time-released, Vitamin C ester which has anti-oxidant activity, inhibiting lipid peroxidation. Topical use can mitigate the damaging effects of UV exposure. Studies have shown it to stimulate collagen production as well as clarifying and brightening the skin by inhibiting melanogenesis (the production of pigment) thereby promoting a more even skin tone. Unlike ascorbic acid, it will not exfoliate or irritate skin.

**Vitamin B Complex (B1,B2,B3,B5,B6,B12):** play important roles in cell metabolism and regeneration.

**Vitamin E (as d-alpha tocopherol):** Vitamin E is a fat soluble antioxidant vitamin that helps to neutralize potentially damaging free radicals in our body. It exists in eight different forms, d-alpha-tocopherol being the most active form and

> Continue from "Peptacell Vital Silk-C Serum"

one of the most powerful biologically active antioxidants.

**Tocopheryl Acetate (Stabilized Ester C):** Vitamin E ester, keeps skin lipids fresh, protects natural radiance

**Encapsulated Retinol (10,000 I.U/g):** Encapsulated retinol releases gradually to extend the activity of Vitamin A towards anti-aging activity in the skin matrix.

**Magnesium Ascorbyl Phosphate (3%):** A vitamin C derivative that has better stability than ascorbic acid. MAP is often used for: UV protection and repair, collagen production, skin lightening and brightening, and as an anti-inflammatory. It is also a potent antioxidant.

### 3 **Ingredients**

Stabilized L-Ascorbic Acid, Tetrahexyldecyl Ascorbate, Vitamin B Complex (B1,B2,B3,B5,B6,B12), Vitamin E (as d-alpha tocopherol), Tocopheryl Acetate (Stabilized Ester C), Encapsulated Retinol (10,000 I.U/g), Magnesium Ascorbyl Phosphate, Glutathione TriPeptide (Base) –(glycine, cysteine, and glutamic acid)

### 4 **Key Points**

- Improves sun-damaged skin and Inhibits UV Aging for Younger Looking Skin
- Reduces the appearance of Fine Lines and Wrinkles
- Great for use Under Make Up
- Unclogs pores
- Non-Drying, Moisturizing Formula
- Boost Collagen Production for Skin Protection and it maintains Skin Elasticity
- No cytotoxicity, No product sensitivity, No side effects!

### 5 **Direction for use**

Shake vigorously before use. Apply onto cleansed skin, and gently massage using fingertips until completely absorbed. May be used morning and/or evening.

### 6 **Cautions**

Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

## 9. ReVital Firming Mask Formula No. - AC-01116

### 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Facial mask set
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	Activator - 7 ml Powder - 10 gram

### 2 Description

This “first time on the market” anti-aging mask system is easy to use and takes only 20 minutes a day 2 times a week, but the results are visible after the very first application. Each mask application will minimize the appearance of large pores and encourages skin to repair itself. It promotes cell regeneration process, allows fresh young cells to surface and leaves your face looking smooth and fresh. Peptide Masks also leave your skin healthier by stimulating blood circulation to the tissues.

The Powder and Activator create a mask that tightens and tones the sub-dermal muscles. This process is accomplished by a penetrating effect that reaches the sub-dermal layers of the skin and causes an increase in blood circulation. As blood circulation increases, you will notice a subtle pulsating effect taking place. This is a result of the muscles in your face contracting.

Clinical study participants cited the following observations at the conclusion of the six week study:

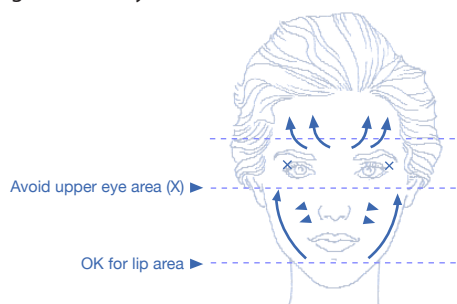

- 0% - confirmed there was no product sensitivity: Zero side effect!
- 97% - stated their overall cosmetic appearance had improved.
- 97% - stated the visibility of their pores decreased.
- 97% - stated the incidence of acne decreased.
- 72% - stated the appearance of wrinkles decreased.
- 63% - stated the appearance of irregular skin blemishes decreased

### 3 Ingredients

Water, PVP, Glycerin, Acacia Senegal Gum, Aloe Barbadensis Leaf Juice, Hamamelis Virginiana (witch Hazel) Leaf Extract, Hydrolyzed Collagen, Hydrolyzed Elastin, Acetyl Hexapeptide-3, Cucumis sativus (Cucumber) Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract, Hyaluronic Acid (and) Dextran Sulfate, Proline, Lysine, Lysine HCl, Carnitine, Arginine, Phenylalanine, Histidine, Tyrosine, Glycine, Amino Benzoic Acid, Sodium Ascorbyl Phosphate, Saccharomyces/Copper Ferment, Retinol (2500 I.U./g), Imidazolidinyl Urea

### 4 Key Points

- Originally Designed for Skincare Specialist.
- Decreasing pore size, wrinkles, acne, and the appearances of irregular skin blemishes.

> Continue from "ReVital Firming Mask"

- No cytotoxicity, No product sensitivity, No side effects!

#### **5** *Direction for use*

Wash face and neck thoroughly as skin should be very clean prior to application.

Recommend for Bamboo Peptide Cleanser or Nano Dermabrasion Crème prior to this so as to remove deadskin and cell towards maximum efficacy.

1. Place 1 jar of mask powder into a small mixing bowl and gradually add 1 vial of the Activator, stirring until the mixture is smooth and thick. Using a small brush, begin applying the mixture to the lower part of the neck, stroking upward behind the ears and then covering half of the neck up to the mouth. Continue applying the mixture upward onto the cheek to the temple line, under the eyes to the temple area, brushing outward only. Then, apply to the nose with upward strokes. Brush upward over closed eyelids. Be careful not to allow the brush hairs to touch the eyeball. Finally, apply from above the eyebrows straight up to the hairline in an upward and outward motion.
2. Next, relax. Don't smoke, eat or talk while the lift mixture is on the face. You may feel the sensation of your muscles contracting and pulling. You may also notice a slight pulsing or warm, tingling sensation — this is normal. Allow the lift mixture to remain on the face for 15~20 minutes (it can stay on longer with no harm but not more than 30 minutes). After a few minutes, when the mixture has started to dry but is still slightly sticky, you may apply an additional coat, especially to those areas needing greater attention.
3. After 15~20 minutes, remove the lift mixture by rinsing repeatedly with warm water. Pat dry. You should immediately be able to see the dramatic effects of the Lift. Complete the regimen by applying MAP Vita C Serum or Hyaluronic Peptide Serum & followed by either Vx Peptide or M2 Peptide Moisturizer to entire neck and face area.

#### **6** *Cautions*

Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

# 10. ReVital GC-100 Firming Serum

*Formula No. - AC-01121*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Anti-Aging Control Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20ml

## 2 Description

Visibly reduce fine lines and wrinkles around eyes, lips, and neck instantly with the GC-100 Firming Essence. Apply a few drops of this hypoallergenic serum and feel immediate firming – the hollow of the wrinkle is visibly filled in. GC-100 Firming Serum, our proprietary Oxygenating Hexa peptide technology, is combined with firming proteins to provide quick results with long term benefits. Apply daily under makeup to help relax facial tension and create an appearance of ultra-smooth, firm, and younger looking skin. Apply nightly to help prevent morning puffiness. An excellent tool to combat external environmental impurities including sun damage.

A skin topography analysis was performed on ten women using the GC-100 Firming Essence twice daily for 30 consecutive days. Independent studies show that with 15 days of treatment a 17% reduction of the actual depth of wrinkles was apparent and with 30 days a 27% actual reduction.

## 3 Ingredients

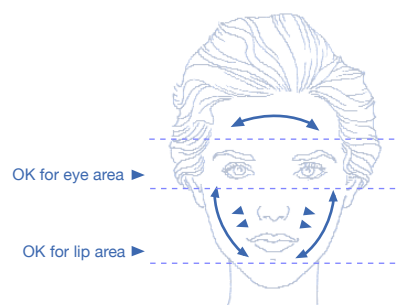

Water, Hydrolyzed Wheat Protein, Oxy3 Peptide, Avena Sativa (OAT) Kernel Extract, Chamomilla Recutita (Chamomile) Leaf Extract, Morinda Citifolia (Noni) Fruit Extract, Panax Ginseng Root Extract, Serenoa Serrulata (Saw Palmetto) Fruit Extract, Camellia Sinensis (Green Tea) Leaf Extract, Citric Acid, Glucosamine, Vitis Vinifera (Grape) Seed Extract, Adenosine.

## 4 Key Points

- Originally Designed for Professional Skincare Specialists.
- Provide an alternative method to achieving younger looking skin
- Provides temporary relief from the signs of aging - in just minutes!
- Provides short term and long term benefits (with continued usage)
- Exclusive protein technology provides a firming effect
- It is clinically proven to promote cell renewal, increase skin respiration and reduce wrinkles
- Visibly firms skin and reduces wrinkles in minutes.
- May be used under make-up.
- No albumin, no whitening effect .
- No cytotoxicity, No product sensitivity, No side effects!

## 5 Direction for use

Apply onto cleansed skin, and gently massage using fingertips until completely absorbed. Use twice daily, morning and evening for all skin types.

## ANTI-AGING IN A BOTTLE SERIES

# 11. All-In-One Moisturizer

Formula Number - TC-0102

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Skin Renewal and Healing Moisturizer
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20 ml

## 2 Description

This moisturizer is rich in Alpha Lipoic Acid, CoEnzyme Q10, MSM, Magnesium Ascorbyl Phosphate that smooth and soften and deeply transforms the look and feel of your skin. MSM is a rich source of biological sulfur and a collagen builder. These ingredients along with soothing Shea Butter and other natural herbal extracts, reduce wrinkles, spider veins and repair damage from sun exposure and stress while preventing new damage.

**Alpha Lipoic Acid:** An extremely potent anti-oxidant that is both water and fat-soluble. Alpha Lipoic Acid helps Vitamins C and E work better in the skin. It has anti-inflammatory qualities, which can be helpful in reducing the redness associated with rosacea, acne and sensitive skin types. It reduces the appearance of wrinkles, fine lines, dull skin, puffy eyes and dark circles.

**MSM:** An organic source of biologic sulfur, MSM is a mineral that has numerous benefits for your skin. It has soothing and calming effects, is a collagen builder, and nourishes and clarifies skin types of all kinds.

**Magnesium Ascorbyl Phosphate:** Fat soluble vitamin C that is extremely stable for use in skin care formulas, making it bio-available to the skin's deeper layers. fights free radicals and prevents damage as it repairs skin from sun, stress and pollutants.

**Co-Enzyme Q10:** Co Q10 is a powerful anti-oxidant that helps after skin damage caused by the sun's harmful effects. Compelling research has shown that Co Q10 effectively and quickly reduces wrinkles, age spots and many signs of aging.

A patented compound from soy that is clinically proven to firm skin and reduce wrinkles.

## 3 Ingredients

Purified Water, Capric /Capralic, Shea Butter, Lipo-D, Lipo Acid, Lysine, Proline, Glycine, Glycerol Stareate, Cetyl Alcohol, Glycerin, Sorbitol, MSM, Silicone 200, Matrixyl 3000, MAP (Magnesium Ascorbyl Phosphate), CO Q10, Orgainc Orange Fragrance , Arbutin, Adenosine.

## 4 Key Points

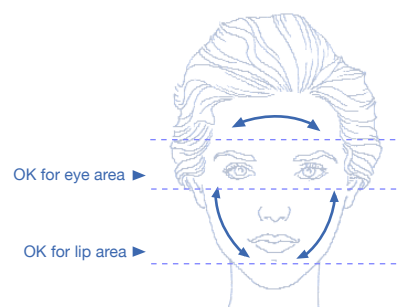

- Originally Desined for Skin-Doctors.
- No cytotoxicity, No product sensitivity, No side effects!

## 5 Direction for use

Apply cream to face in a circular motion and tap until it absorb into skin. Repeat as needed.

## 6 Cautions

Keep out of reach of children.

# 13. Peptaone Eye Serum

*Formula Number - TC-87*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Eye cream for Serious Dark Circles, Crow's Feet & Puffiness
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	20 ml

## 2 Description

It helps reduce hemoglobin degradation byproducts by optimizing enzyme activity in the per-orbital tissue causing the red-blue pigmentation to fade.

Infra-orbital shadows or "dark circles" under the eye are due to the accumulation of hemoglobin and its colored degradation products (biliverdin, bilirubin and iron) in the dermis and epidermis. In layman's terms, your tiny capillaries have deposited blood around your sensitive eye tissue. This leads to the bluish-red pigmentation that causes dark circles.

It stimulates the enzyme leading to the clearance of bilirubin and makes the iron soluble, allowing it to be eliminated.

It also helps strengthen the capillary matrix to help stop the leaking so your eye area is protected against further damage. (Dark circles, when left untreated, can become permanent).

### Clinical studies:

In a double-blind clinical trial 72% of women who had dark circles saw an obvious, visible reduction in the color and severity of their dark circles.

In vitro and in vivo studies demonstrate its ability to:

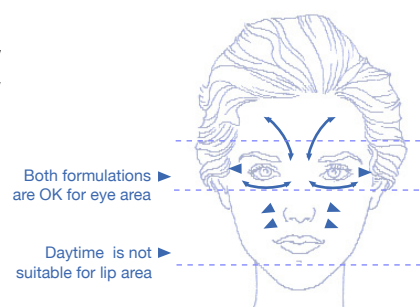

- Enhance the skin's own capacity to eliminate pigmented by-products of hemoglobin
- Increase skin density to better support the microvascular network around the eyes
- Alleviate inflammation which can lead to vessel fragility

## 3 Ingredients

Water, Glycerine, Sorbitol, Cyclopentasiloxane, Polysilicone-11, Proprietary Holoxylin Complex (Helianthus Annuus (Sunflower Seed) Extract, Hesperidine Methyl Chalcone, Gynostemma Pentaphyllum Extract, Cetyl Alcohol, Steareth-20, Silica, Stearic Acid, Palmitoyl Tetrapeptide-3, Palmitoyl Oligopeptide, Dipeptide-2, Hydroxysuccinimide, Chrysin, Aloe Barbadenise Leaf Juice (Aloe Extract, Cucumis Sativus (Cucumber) Extract, Equisetum Arvenise (Horse Tail) Extract, Green Tea Extract, Polyglyceryl-3 Beeswax, Triethanolamine, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Phenoxyethanol, Isobutylparaben.

## 4 Key Points

- Dark circles under the eyes are not necessary due to lack of sleep, but rather to the thin, vascular area of skin that is susceptible to discoloration as a result of slow microcirculation and the reduction in oxygen-

> Continue from "Peptaone Eye Serum"

ated blood circulation to the area.

- Reduce appearance of wrinkles and fine lines making your eyes look younger
- Improve firmness & resiliency in eye area
- Reinforce & tone eye area
- Hydrate dry skin for a silky, smooth look
- Strengthen the blood vessels around your eyes
- Lessen the appearance of Serious Dark Circles
- Lessen the appearance of Serious Puffiness
- Visible reduction in color and severity
- Helps to improve this microcirculation in the area thus helping to improve the appearance of unsightly dark circles under the eye.
- Helps prevent their reappearance
- Recommend 4 to 6 weeks of its use

#### **5** *Direction for use*

Use twice a day on clean, dry skin. Apply a small amount to the desired area and gently rub in a circular motion until fully absorbed. Use sparingly. It is highly concentrated. Do not exceed 3 applications in a 24 hour period.

#### **6** *Cautions*

Keep out of reach of children.

## ANTI-AGING IN A BOTTLE SERIES

# 14. Hydro Skinshade

*Batch Number - BZ-W-06-074*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	DNA Repair with SPF 30
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 ml

## 2 Description

This chemical free sunscreen is a lightweight product formulated with an advanced silicone elastomer. These compounds provide silkiness upon application to the skin. In addition, this product provides a chemical free sunscreen without the white out that occurs with other chemical free sunscreens. The addition of proprietary lipopeptide has been shown in dermal cell culture studies to stimulate collagen and elastin production with minimum production of prostaglandins.

This product helps repair not only damaged DNA due to the sun but also prevent the sun damage while providing breathable space between the skin and a makeup due to silicone elastomer.

**Titanium Dioxide & Zinc Oxide & Iron Oxide:** natural ingredients that deflect back the UV rays, rather than absorbing into the dead layer of the epidermis while providing a whitening effect to the skin. These protect against both the sun's UV (ultraviolet) rays, on the UVB and UVA spectrum

**Myristoyl Hexapeptide-5:** Provides anti-aging & repairs sun-damaged DNA Cell while helping produce collagen and elastin.

## 3 Ingredients

Titanium Dioxide, Zinc Oxide, Cyclopentasiloxane, Cyclomethicone, Dimethicone Crosspolymer, Dimethicone/Vinyl Dimethicone Crosspolymer, Tribehenin, Calcium Behenate, Sorbitan Isostearate, Dimethiconol, Alumina, Myristoyl Hexapeptide-5, PEG-10 Dimethicone, Methicone, Iron Oxides

## 4 Key Points

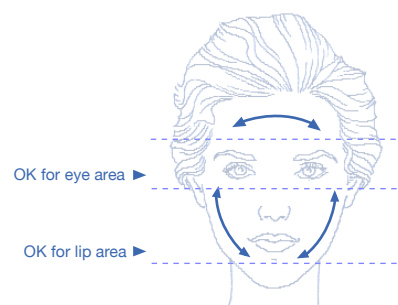

- Recommended for all skin types
- Contains unique silicone elastomer
- SPF 30
- Safe for use after clinical procedures.

## 5 Direction for use

Apply appropriate amount onto the face and neck.

## 6 Cautions

Keep out of reach of children.

<b>Product Classification:</b>	General Cosmetic
<b>Product Type:</b>	Lash Revitalizing Serum
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	8 ml

**2 Description**

Before we introduce our products, please be noted that many of the currently available Eye Lash Extension Products in the market are mostly drug-based.

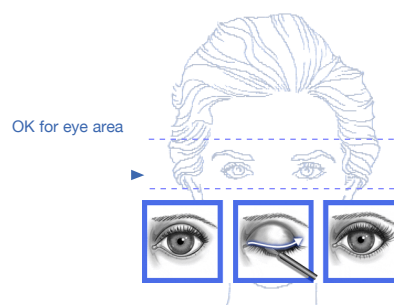

\*Our product is **NOT a drug**, and will not cause any known side-effects of drugs such as Lumigan or products like Latisse. We utilized a new cosmetically approved proprietary peptide on the market that signals eyelash growth.

Water your lashes & watch them grow! Thin, brittle, aging lashes will finally meet their match. Lash-Pep will nourish & revive your lashes (& brows) while you sleep, dramatically enhancing the appearance of your natural lash length, thickness, & fullness with a potent and high-tech combination of peptides, growth factors, and stem cells.

1. Reconstructive Peptides stimulates Keratin Genes.
2. In vivo DATA: Thicker and Longer Eye Lash  
Panel of 15 subjects, 24-82 years old  
Test product is a conditioner with 20% LashPep used once a day
3. 25% Increase in Eye Lash Length After 3 Weeks of Use
4. Reconstructive Peptides strengthen & conditions the hair follicle, preventing lash breakage & actually allowing them to reach their full potential. Lashes look fuller & longer than ever!
5. Stimulating ingredients circulate protein-rich amino acids & super-oxygenate blood to the hair follicles, increasing visible results!
6. Antioxidants fight free radical damage that weakens hair & causes it to break.

**3 Ingredients**

Water, Butylene Glycol, PolyPeptide & StemCell Protein Extract, Isopropyl Cloprostenate, Sodium Hyaluronate, Biotin, Panthenol, Hydrolyzed Glycosaminoglycans, Allantoin, Dipotassium Glycyrrhizate, Octapeptide-2, Glycerin, Xylitylglucoside, Anhydroxylitol, Inositol, Glucosyl Hesperidin, Folic Acid, Xylitol, Hydrogenated Lecithin, Brassica Campestris (Rapeseed) Sterols, Ricinus Communis (Castor) Seed Oil, Caprylyl Glycol, Tetrahydroxypropyl Ethylenediamine, Acrylates/C10-30 Alkyl Acrylate, Crosspolymer, Glycoproteins, Hydrolyzed Silk, Hydrolyzed Keratin, Yeast Extract, Dimethicone PEG-8 Meadowfoamate,

Malus Domestica Fruit Cell Culture, Xanthan Gum, Glycoproteins, Hydrolyzed Silk, Hydrolyzed Keratin, Yeast Extract, Dimethicone PEG-8 Meadowfoamate, Tropolone.

#### 4 Key Ingredients

**Myristoyl Pentapeptide-16 & 17** - Stimulating hair growth at the follicle.

**StemCell Protein Extract**- Human Oligopeptide 6, An effective combination of amino acids, the building blocks of protein and Helps amplify volume by strengthening and rejuvenating lashes

**Isopropyl Cloprostenate** – A fatty acid derivative with cell renewing and healing properties and Helps promote cell regeneration

**Sodium Hyaluronate** – Hyaluronic acid, a water-binding ingredient and Helps lashes appear healthier, shinier and stronger

**Biotin** – Vitamin H, part of the group B vitamins, an essential nutrient with fortifying benefits and Helps strengthen and fortify lashes against breakage

**Panthenol** – Provitamin B5, a rejuvenating moisturizer and a soothing agent and Helps promote lash flexibility and durability

**Hydrolyzed Glycosaminoglycans** – A highly effective moisturizing and hydrating agent with conditioning properties and Helps add moisture and sheen to lashes and improve elasticity

**Allantoin** – From comfrey plant, known for its healing, soothing and softening benefits and Helps soothe, calm and protect the lash line

**Dipotassium Glycyrrhizate** – Licorice extract, has calming and brightening properties to shield against irritation and redness and Helps soothe and brighten the eye area.

#### 5 Direction for use

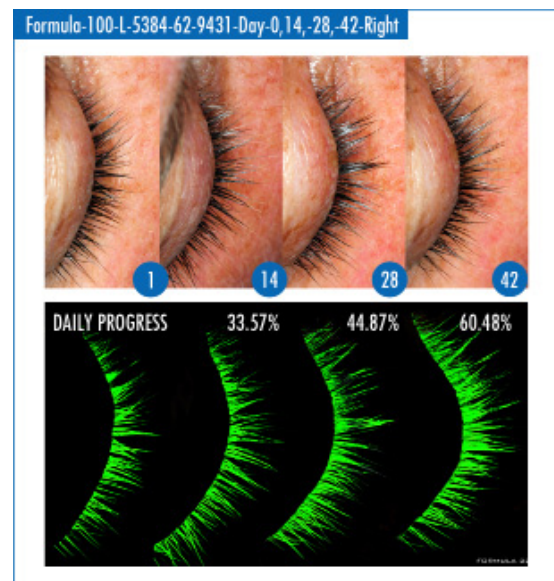

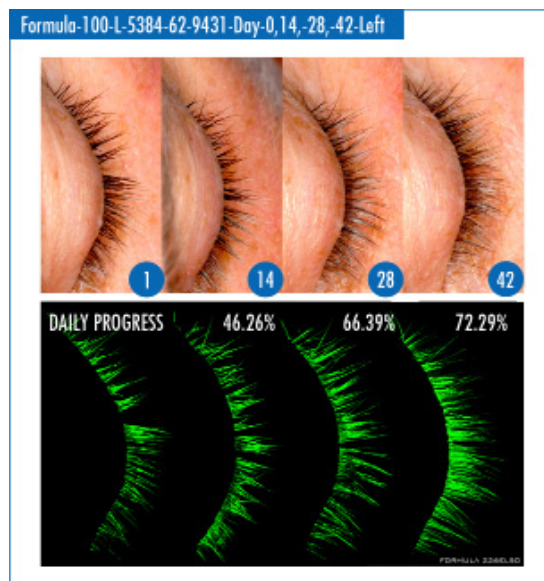

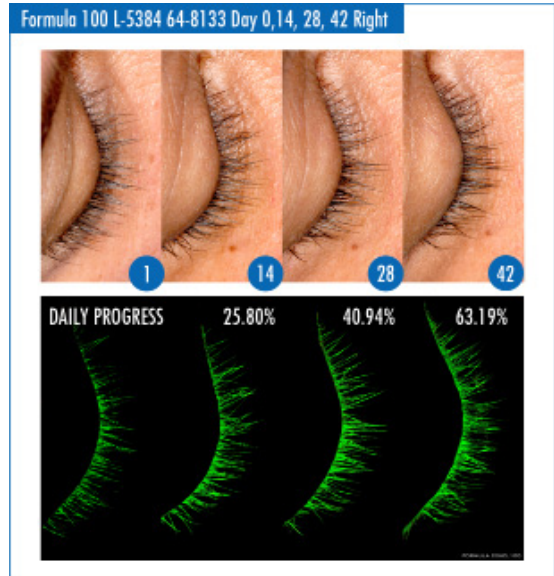

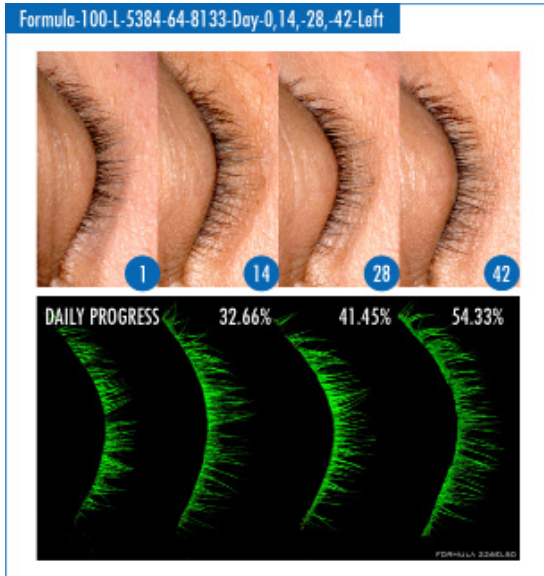

**Vitallash** is applied similar to a liquid eyeliner. Apply the product to the skin at the edge of your eyelid right above your lashes. This is where your eyelash follicles are located. The product will absorb through the skin into the follicle where Lilash works.

**Doctors Tip:** Apply a very thin line nightly as you would a liquid eyeliner & notice a change in your lashes within days. Wait 4 to 6 weeks & watch your lashes transform right before your eyes.

**PM ONLY:** Use nightly, just before bedtime, on clean, dry lashes. Apply a very small amount of Lash to base of upper lashes (as if applying a liquid eyeliner). Pat gently with clean fingertip to distribute evenly along base of lashes & onto lashes themselves. Apply to brows where needed. Allow to fully dry before applying other skin care products. Continued use is recommended to maintain the appearance & condition of lashes once desired results are achieved. DO NOT APPLY IN THE AM. Lash is not intended for direct contact with eyes. If this should occur, rinse thoroughly with cool water.

6 **Caution:** Keep out of reach of children.

7 Clinical Test Results

1. Eyelash measurement by SigmaScan software, 2009.
2. Reconstructive Peptides stimulates Keratin Genes.
3. In vivo DATA: Thicker and Longer Eye Lash  
Panel of 15 subjects, 24-82 years old  
Test product is a conditioner with 20% LashPep used once a day
4. 25% Increase in Eye Lash Length After 3 Weeks of Use
5. Clinical Testing prepared by Clinical Resolution Laboratory, Inc.

## PEPTACELL SERIES

**60 SECOND MIRACLES** Formula - SA-M55**1 Product Type & Info**

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Temporary Face Lifting Gel
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	0.25 oz. (12 ml)

**2 Description****Wrinkles & puffiness disappear instantly!**

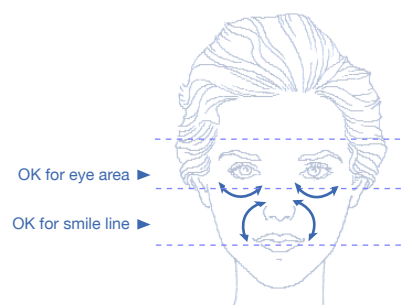

Instantly removes appearance of puffiness, lines and wrinkles. Look years younger instantly! Insignia Lab features the amazing 60 Second Miracles! This incredible 60 Second Face-Lift in a bottle gives you instant gratification, and instant results, actually lifting, firming, minimizing pores, tightening, and erasing wrinkles, fine lines, and puffiness from your skin in seconds. These dramatic results last 10 - 12 hours with just one application! So you can look great all day or even all night long! It's not a cover-up or makeup, but a remarkable clear cosmetic serum that provides dramatic results that last for hours.

With Argireline®, Palmitoyl pentapeptide-3, Matrixyl, Saccharomyces Lysate Extract, 60 Second Miracles will:

- Reduce existing facial wrinkles
- deliver superior anti-wrinkle results, with the severity of wrinkles around the eyes decreased up to 17% after 15 days of treatment and up to 27% after 30 days of treatment.
- increase overall collagen synthesis by up to 117%
- increase collagen IV synthesis by up to 327%
- increase hyaluronic acid synthesis by up to 267%
- Deep wrinkles were reduced by half
- Smaller wrinkles and fine lines sometimes faded completely away
- Every participant in the study showed noticeable improvement within two weeks
- The result was fewer wrinkles and younger-looking skin
- Proliferate skin cell and its cycle.

**3 Ingredients**

Water, Sodium Polystyrene Sulfonate, Hydrolyzed Soy Protein, Acetyl Hexapeptide-3, Acrylates/Ceteth-20 Itaconate Copolymer, Chamomilla recutita (Matricaria) Leaf Extract, Morinda citrifolia (Noni) Fruit Extract, Panax ginseng Root Extract, Serenoa serrulata (Saw Palmetto) Fruit Extract, Camellia sinensis (Green Tea) Leaf Extract, Ahnfeltia concinna Extract, PEG -12 Glyceryl Distearate, Glycerin, Retinyl Palmitate, Pentylene Glycol

> Continue from "60 Second Miracles"

Glucosamine, Butylene Glycol, Disodium EDTA, Sodium Hydroxide, Citric Acid  
Phenoxyethanol, DMDM Hydantoin, Methylparaben, Methylisothiazolinone,  
Propylparaben

#### 4 Key Points

- Originally Designed for Professional Skincare Specialists.
- Provide an alternative method to achieving younger looking skin
- Provides temporary relief from the signs of aging - in just minutes!
- Provides short term and long term benefits (with continued usage)
- Exclusive protein technology provides a firming effect
- Promote cell renewal, increase skin respiration and reduce wrinkles
- Visibly firms skin and reduces wrinkles in minutes.
- May be used under make-up.
- No albumin, no whitening effect.
- No cytotoxicity, No product sensitivity, No side effects!

#### 5 Direction for use

Release 2-4 pre-measured drops into palm of hand. Using your finger, pick up a small amount of serum, and starting from the inner corner of your eye area, gently smooth evenly onto the area which shows wrinkles, lines, puffiness. Gently massage and keep patting until absorbed thoroughly. Use everyday after cleansing.

##### **For the best results:**

For best results, apply to clean, dry skin and use with any powder foundation or an oil based liquid foundation. Do not use with any oil-free makeup.

In order to maintain maximum benefits, do not rub, but use a dab or pat motion to apply.

After a few applications, you'll be able to judge the correct amount that works for you. Keep your face completely still...do not frown or smile until completely dry.

A tightening effect means the product is working. All the daytime treatment can be used under any tinted foundation powder or foundation. Do not use with a oily moisturizer as they will negatively effect the performance. Product can be easily removed with cleanser or soap and water.

#### 6 Cautions

For hygienic purposes, rinse the applicator under hot water upon completion of application.

PEPTACELL SERIES

# AROSCA-MX *Formula - SA-W9-065*

## 1 Product Type & Info

<b>Product Classification:</b>	Functional Cosmetic
<b>Product Type:</b>	Topical body moisturizer
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	0.5 oz. (15 ml)

## 2 Description

AROSCA-MX is a topical cream used to sensitize a woman's sensitive area. Most women's challenges with arousal and sexual response are due to insufficient blood flow in the genital area. The amino acid, L-Arginine (essential for the production of Nitric Oxide), enhances female sexual response by stimulating the increase of blood flow to the clitoris and surrounding tissues. AROSCA-MX will not only increase a woman's sensitivity, but it also stimulates natural vaginal lubrication; thus correcting one of the most significant issues hampering women's enjoyment of sexual intimacy. AROSCA's formulation creates an almost instant warm and invigorating sensation. This stimulates clitoral sensitivity and delivers the L-arginine which leads to improved sexual arousal and response.

## 3 Ingredients

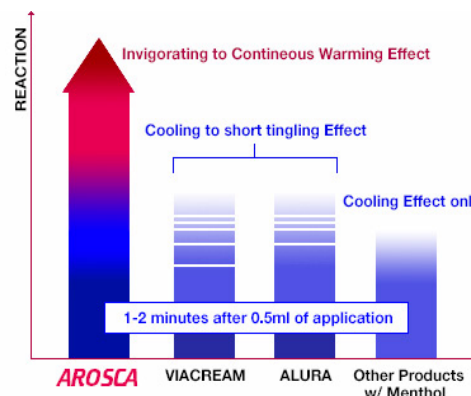

Deionized Water, Caprylic/Capric Triglycerides, Polyacrylamide c13-14, Isoparaffin/Laureth 7, SD Alcohol, L-Arginine, Citric Acid, Vitamin E, Phenoxethanol (Rose Ether), Progesterone USP, Vitamin A Palmitate, Siberian Ginseng Extract, Methyl Nicotinate, Cinnamon Bark Oil

## 4 Key Points

- Increase sexual responsiveness
- Enhance intimacy
- Stimulate arousal
- Improve Sensitivity
- Increase vaginal lubrication
- Natural Active Ingredients
- No Prescription Necessary
- No cytotoxicity, No side effects!

## 5 Direction for use

Apply a small amount of AROSCA-MX to the mucus membrane, beneath the clitoris, and thoroughly rub it in to help absorption. The clitoral hood is partially keratinized and absorbs less of the beneficial ingredients than the non-keratinized underside of the clitoris. You will notice the silky smooth consistency of Sensitille that mimics a woman's natural lubrication.

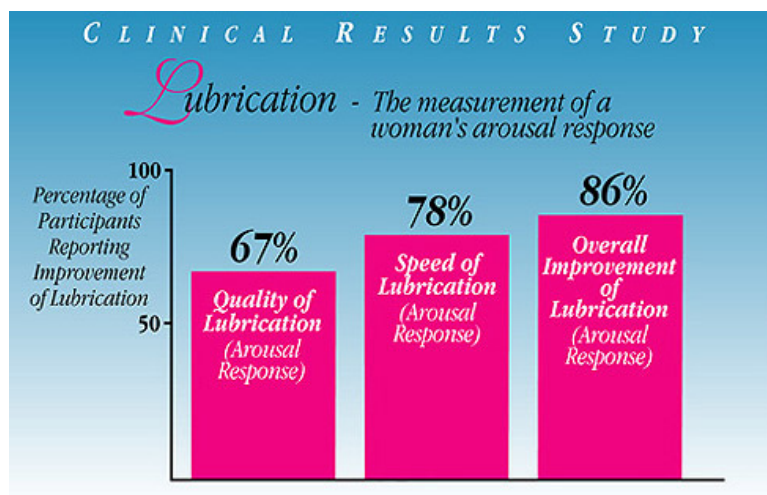

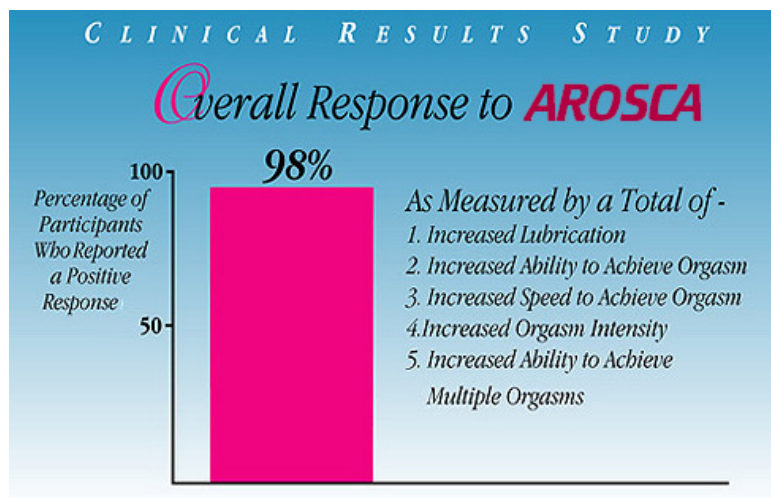

> Continue from "Arosca MX"

**6 Cautions**

Do not use if you are pregnant or nursing, or if you are allergic to any of the ingredients. Discontinue use if irritation occurs. For external use only. Avoid contact with eyes.

\*\*Arosca is a white cream with L-arginine, an amino acid which when topically applied increases sexual responsiveness. Arosca is a safe, unique product which helps women achieves their greatest sexual sensitivity. About 80% of women studied found that the cream extended their natural orgasms. The balance reported improved responses through three or more successive uses.

## PEPTACELL SERIES

# HTA-7 HORMON BOOSTER

*Formula - BI-ALF1035*

## 1 Product Type & Info

<b>Product Classification:</b>	Dietary Supplement
<b>Product Type:</b>	HGH Enhancement formula
<b>Country of Origin:</b>	U.S.A.
<b>Available Size:</b>	30 tablets

## 2 Description

HTA-7 Hormon Booster formula is recommended for persons under the age of 55. The results are: higher energy levels, better sleep patterns, reduced appetite and better concentration. You will soon experience weight loss, better muscle tone, fewer facial lines and wrinkles and look and feel 10 - 20 years younger. Secretion of human growth hormone in young adults follows a pattern that Rejuvamin allow you to repeat in middle age and beyond. Following a meal, insulin increases to maintain blood sugar levels steady. After the meal is digested, insulin slowly decreases and human growth hormone levels rise several hours after the meal was consumed. The growth hormone secreted is involved in mobilizing the fat to produce energy and to use the protein from the food to produce muscle and other tissue. These secretion patterns also occur early in the morning upon rising and late at night. It is by using these secretion periods that HTA-7 Hormon Booster returns the body to youthful patterns of daytime growth hormone secretion which are lost naturally after the age of 30.

### BENEFITS:

- Tighter, sleeker, smoother skin
- Enhanced energy levels
- Decreases in body fat without exercise
- Increase in lean body mass
- Strengthened immune system
- Deeper and sounder sleep
- Sharper memory and concentration
- Lowered blood pressure
- Stronger bones
- Improved exercise capacity
- Higher threshold in coping with stress
- Improved heart and kidney function
- Reduced appetite
- Youthful feeling of joy in living
- Decrease in LDL (bad) cholesterol
- Increase in HDL (good) cholesterol

## 3 Ingredients

Proprietary vegetarian amino acid blend containing pure free-form L-Glutamine, L-Arginine, L-Lysine HCL, Glycine, Natural Orange Flavor, Stevia Extract, Forskolin root.

> Continue from "HTA-7 Hormon Booster"

#### 4 Key Points

- Active ingredients are pure vegetarian free-form L-Glutamine and Glycine with Niacin.
- Slightly sweet powder mixes into water or any drink, or add water directly to packet and drink.
- Use one to three times a day on an empty stomach.
- Clinical study of 12 individuals showed a 57% increase in IGF-1 levels over six weeks.
- For use by anyone ages 30-60.
- Ingredients recommended in the landmark popular text on human growth hormone "Grow Young with HGH" by Dr. Ronald Klatz, president of the American Academy of Anti-Aging Medicine.

#### 5 Direction for use

Take 1 to 2 tablet one to three times per day on an empty stomach between meals.

Within two to three weeks you should have feelings of improved well being, reduced appetite, higher levels of energy and concentration and better sleep patterns.

Soon, you should notice enhanced skin condition, fat loss, and continuing improvement in muscle tone. Age related decline took years to show up, so it's only natural for your body to take time to repair itself.

#### 6 Also Available

- HTA-7 Tablets
  - 60 tablets
  - 90 Tablets
